HOMEWORK ASSIGNMENT for ONE-IN-FAITH Gathering on Wednesday December 4th, 2019:

What is the Sacrament of Reconciliation?

1) The homework in the Alive in Christ workbooks (grades 1-5) is designed for you and your child to do together. Please see the chart for more information about which pages you should complete before next class.

2) The Visions homework (grades 6-8) is something your middle school student can read on their own, or with you. Please choose ONE of the discussion questions in each week's Visions pamphlet and discuss it with your child.

3) Our next gathering will be on Wednesday Dec 4th. You can again come to either session – 6:00 or 7:30. Please **bring your student's homework** on this day – we will be collecting it! We'll make sure to have a treat for every student who turns in their homework. Technically, 6th-8th graders do not have anything to turn in. However, if they would like to receive a treat like everyone else, they could write out their response to 1 of the discussion questions in their Visions pamphlet each week, and bring those responses to class each month.
