**ST. ANDREW—GREENWALD, ST. JOHN—MEIRE GROVE,**  
**ST. MARY—MELROSE & ST. MICHAEL—SPRING HILL**

**THIRD SUNDAY IN ORDINARY TIME - JANUARY 22, 2017**

*A message from the parish council...*

**Thank You** for your attendance at the presentations last weekend! We felt your support and we are grateful for how well they went. Hopefully this format can be effective and modified in the future.

**A summary of Parish Council portion of the presentation:**

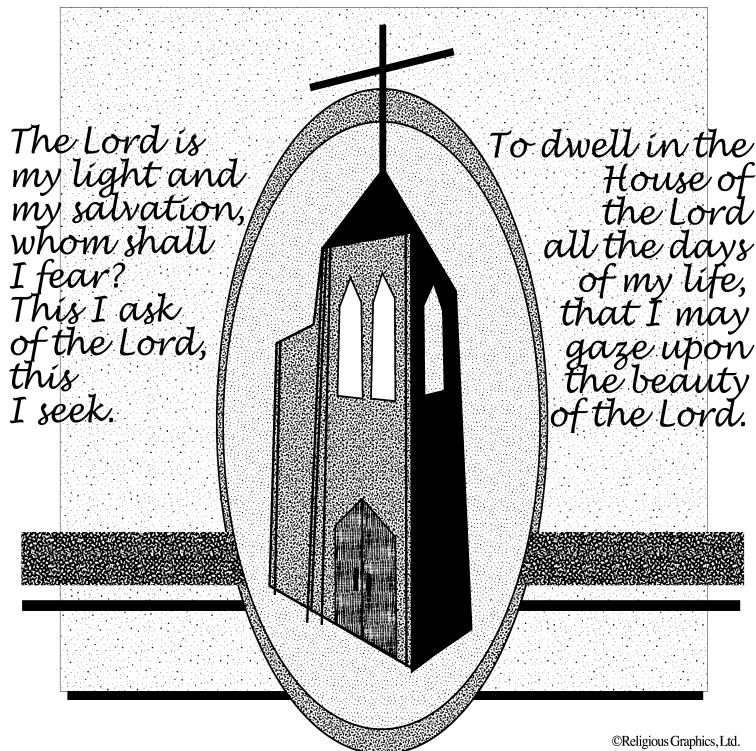

- The Parish Council has one agenda. We will do our best: to obtain, process, evaluate, communicate and decide regarding our beloved and beautiful Church of St. Mary. I personally am impressed with the quality of the thoughtful discussions, the respect of our church (building and community) and the value given to each point of view. This group is impressive and I have full confidence that we can do a good job.
- We are acutely aware of the voices that have spoken thus far. We spend a large amount of time discussing the letters, calls and our personal conversations collectively. Letters and emails sent to the rectory are distributed in an efficient matter.
- We are trying to process potential risks and benefits of restoration and other options. The physical building may have limits regarding access and federal codes, Vatican II liturgical space mandates, diocese building committee and Bishop requirements, physical structure, additional costs during construction, costs of maintenance now and in the future. Ongoing discussions with our builder and architect continue. We pray to be open minded regarding all options.
- We have no other agenda and there has been no internal conflict or secret decisions made within the Parish Council.
- We really, really (really) appreciate the support of parish members. We want to listen and share information as best as we can. Most of the time one piece of information comes with at least five questions and thus not suitable for mass distribution.
- Although it seems like an eternity, the information and our tasks are relatively new to us. We have been working with this for a relatively short time period. We are learning how to proceed.
- We are part of this parish. We pray that we can serve our parish with confidence and trust - as we remember and honor the past, live today and look to the future.
